First Edition has impressed all that have seen him. Has been showed twice, as calf at foot on the Supreme Murray Grey Exhibit at the 2010 Royal Adelaide Show, and was Reserve Junior Champion Bull at the 2011 Royal Adelaide Show. First Edition carries a quality pedigree and breedplan performance that complements an outstanding phenotype. Low birth weight and high growth puts this bull in the 'curve bender' bracket of the breeding program. An exciting prospect.

Another class act no matter which way you look at this bull. Sired by Body Builder, leading sire at Monterey in Western Australia. Hard to find a fault on this young bull, top 5% for scrotal EBV's while maintaining good growth and magnificent constitution. Spring of rib, Length, Capacity and structure make this bull an exciting offering. Ultra docile and commercially built.

A bull that is a half brother to KPN F9. Again, sired by Monterey Bodybuilder out of a strong Bottlesford female line. We are really impressed with the body builder calves for the package they can bring to the breeding program. Another example of a really well built young bull with a bright future. Expressing tremendous muscle and shape from head to tail. We are really proud to offer this outstanding bull. This bull has certainly earned his name.

A good commercially focused bull with a low birth weight and impressive carcass EBV's. Yeovil has left us with some outstanding heifers that are shaping up to form a new female line within the herd. Offered for another low birth weight option and is typical of the type of bull we have been breeding for many years.

700kg	600kg	102cm	3/3mm	2.8%	39.5cm	6.5

An exciting young bull that offers breed leading growth and solid carcass data. Really exciting pedigree on this young bull with Monterey and Willalooka contributing to the package on offer. A little extra bone, length and weight than the average bull. Flinders was the spear head to the 2011 Royal Adelaide Show winning sires progeny team. A really pleasing genetic package that is proudly on display for inspection and sale.
